

EECS SYMPOSIUM 2016

(28-29 April)

INDIAN INSTITUTE OF SCIENCE

CALL FOR PARTICIPATION

The Division of Electrical Sciences (Depts. of CSA, ECE, EE and ESE) and the Dept. of Computational and Data Sciences (CDS) are pleased to announce "EECS Research Students Symposium 2016", the seventh in the series of annual Electrical Sciences Divisional Symposiums, to be held on April 28-29, 2016, in the Faculty Hall at IISc. The event will feature oral and poster presentations by final year Ph.D. and M.Sc. students of the departments CDS, CSA, ECE, EE and ESE. In addition, there will be talks by distinguished invited and keynote speakers, and an alumni event. The aim of the symposium is to provide a forum for senior research students to briefly present their work and also to build a network among students, faculty, potential recruiters and foster research collaborations.
