Aspiring IIScians Meet

for admissions to the MTech and PhD programmes
at CDS, CPS, and EECS, IISc

What exciting topics can you pursue as a Master's or a PhD student at CDS, CPS, and EECS, IISc? What exciting research happens here? How much theory and how much practice? Can you apply? How to apply? What do you know about IISc? And Bengaluru? And the different departments/research groups here? What is it like to be a graduate student at IISc? How will it help your career?

Join us for a coffee-table meeting/information session on the above topics, hosted by the Division of Electrical, Electronics, and Computer Sciences (EECS) in collaboration with the IEEE and ACM IISc student chapters. There will be a short presentation and plenty of time for discussion and Q&A. Students and faculty will be present in this session to answer questions.

17 March 2025 (Monday)
05 :00 to 06:30 PM (IST)
