

PhD in Brain, Computation, and Data Science (BCD)

The BCD PhD programme brings together faculty and research from: CSA · CDS · ECE · EE · ESE · CNS · MBU

WHO CAN APPLY

Candidates with an MSc or equivalent degree in any branch of Science, a BE/BTech or equivalent degree in any discipline, or a four-year Bachelor's degree in Science are eligible to apply.

RESEARCH AREAS

Brain-inspired artificial intelligence • machine learning • signal processing • theoretical and computational neuroscience • cellular, systems, and cognitive neuroscience • sensory systems (vision, speech) • learning, attention, and decision making • brain-machine interfaces • neuromorphic computation and hardware
